Re: *Roku, Inc. v. The Individuals, Corporations, et al.* Case No. 1:22-cv-00850-LJL

Dear Judge Liman:

We represent Plaintiff Roku Inc. in the above-referenced matter. During the February 28, 2022 hearing on Plaintiff's application for a preliminary injunction, the Court asked Plaintiff to advise on whether it sought the Court's decision on its current application for a preliminary injunction, or if it instead wanted to move forward with expedited discovery and apply for a permanent injunction in the near future.

After further reflection, Plaintiff requests that the Court decide on its current application for a preliminary injunction as against the defendants identified in the Schedule A to Plaintiff's Reply Memorandum in Support of Issuance of a Preliminary Injunction. (Dkt. No. 35-2). We thank the Court for its time and attention to this matter.

Very truly yours,
